TO WHOM IT MAY CONCERN

I am pleased to write this letter of recommendation for **Mayank Arora**, who has successfully completed an internship as a **Full Stack Developer Intern** in the Software Development Department at **Clavis Technologies Pvt. Ltd.** from **28th April 2025 to 13th June 2025**.

During the internship period, Mayank demonstrated a strong understanding of both front-end and back-end technologies, including **HTML, CSS, JavaScript, React.js, Node.js/Express.js**, and databases such as **MySQL/MongoDB**.

He showed great enthusiasm for learning, took initiative in solving problems, and delivered quality work consistently. His ability to adapt quickly and communicate effectively with peers and mentors made a positive impact on our team.

I am confident that he will be a valuable asset to any organization he chooses to join in the future. I highly recommend him for further opportunities in software development, and I wish him all the best in his academic and professional journey.
